MEMORANDUM FOR: MR. DULLES

SUBJECT

: Briefing for Senator Henry C. Dworshak

I understand from that you are contemplating a meeting with Senator Dworshak sometime soon to brief him on the status of our new building among other things.

STATINTL

STATINTL

I would recommend that you not discuss the building with the Senator if it can be avoided. We know now that approximately of our present strength cannot be accommodated in the new building. While we have discussed the possibility of a reduction in our strength on many occasions, it is a fact that we do not have a program to bring about any substantial reduction. I think the chances are good that Senator Dworshak, if given the opportunity, might seize upon this situation to give us unfavorable publicity or otherwise cause us embarrassment.
